BASIC PRESS INFORMATION

Audi at the Martorell site

Audi has been producing the Audi Q3* at the SEAT site in Martorell near Barcelona in Spain since the spring of 2011, the new Audi RS Q3* followed at the beginning of 2015. Last year, the number of cars produced was 114,198 (2016: 135,852).

The compact, sporty SUV is produced with state-of-the-art equipment. The production plant in Martorell with the new body shop and the assembly hall with a floor space of 30,000 square meters is one of the most advanced facilities of its kind. 433 robots of the latest generation are used in the body shop.

Martorell is the headquarters site of the Volkswagen brand SEAT. The Audi Q3* is produced there in accordance with Audi's high quality standards in three shifts and with maximum flexibility. Today, approximately 2,700 employees work at the Martorell plant to build the Audi Q3*.

The extremely high quality of the Audi Q3* produced in Martorell has been confirmed by its leading positions in the internal ranking of the Volkswagen Group. Within the growth strategy of AUDI AG, production in Martorell is a key component of the overall production network.
