Audi Sport GmbH

Born in motorsport, tested under the most extreme conditions and taken to series maturity. That is what the high-performance R/RS models from Audi Sport GmbH are all about, combining maximum prestige with everyday usability and unparalleled performance. This is true when a V10 engine is working under the hood and also when the incredible torque of an electric drive is available. The Audi Sport GmbH includes under its umbrella the high-performance models as well as the complete Audi motorsport program (factory racing and customer racing), customization in the form of the Audi exclusive program and the Audi collection.

Audi Sport GmbH - formerly quattro GmbH - was established in 1983 as a fully-owned subsidiary of AUDI AG. The company has been registered as a manufacturer of high-performance cars since 1996. The headquarters of Audi Sport GmbH is based in Neckarsulm. Audi Sport GmbH currently employs more than 1,300 people in the regions around Ingolstadt and Neckarsulm. While the Audi Motorsport headquarters are located in 'Neuburg an der Donau' near Ingolstadt, the top series production models are manufactured in the 'Böllinger Höfe' near Neckarsulm.

Be it the World Rally Championship, Pikes Peak, Super Touring, DTM, GT racing, Le Mans prototypes or Formula E: With impressive performances, Audi achieved success with numerous race victories and important championship titles in all of the racing projects. The road-going models from the brand with the four rings profit from the expertise that comes from racing.
